## OIL PRESS MACHINES

Machine Model : GT-O1S

Type : Domestic Oil Maker  
Capacity : 3-6 Kg/hr  
Voltage : 220/110 V  
Power : 450W  
Weight : 10 kg  
Material : 304#food grade Stainless Steel  
Dimension : 360x160x280mm

Machine Model : GT-O1T

Machine Model : GT-O6

Type : Domestic Oil Maker  
Capacity : 4-8 Kg/hr  
Voltage : 220/110 V  
Power : 600W  
Weight : 11.5 kg  
Material : 304#food grade Stainless Steel  
Dimension : 400x160x360mm

Machine Model : GT-OT

**Does oil you are using is completely pure?**

**No!** Refined oil contains chemical residues and is more expensive, which is similar to a poison, we have come up with the easiest solution for this problem.

**Oil Press Machine is most easy to use and gives 100% pure & natural oil; efficacious for health**

**Diseases Caused By Refined and Chemically Processed Oil ...**

This type of oil, which is similar to poison for body, is main cause for many diseases. Such as heart attack, skin diseases, diabetes, blood pressure, gas, acidity, hair loss, cholesterol, joint pain, bone loss, waist pain and many such ...

Machine Model : GT-4T

Type : Domestic  
Capacity : 3-6 Kg/hr  
Voltage : 220/110 V  
Power : 400W  
Weight : 10 kg  
Material : 304#food grade SS  
Dimension : 370x160x350mm

Machine Model : GTO-25

Type : Mini Commercial Oil Press  
Capacity : 8-10 Kg/hr  
Voltage : 220/110 V  
Power : 1200W  
Weight : 20 kg  
Material : 304#food grade Stainless Steel  
Dimension : 580x200x370mm

Machine Model : GT-7T

Type : Domestic  
Capacity : 4-8 Kg/hr  
Voltage : 220/110 V  
Power : 750W  
Weight : 12 kg  
Material : 304#food grade SS  
Dimension : 480x180x300mm

Type : Mini Commercial Oil Press  
Capacity : 10 Kg/hr  
Voltage : 220/110 V  
Power : 1500W  
Weight : 40 kg  
Material : 304#food grade Stainless Steel  
Dimension : 590x290x460mm

Machine Model : GTO-51

Machine Model : GTO-101

Type : Mini Commercial Oil Press  
Capacity : 20 Kg/hr  
Voltage : 220/110 V  
Motor Power : 1500W (2 HP)  
Total Power : 2000W  
Weight : 53 kg  
Material : 304#food grade Stainless Steel  
Dimension : 640x290x510mm

Type : Mini Commercial Oil Expeller  
Capacity : 30-40 Kg/hr  
Voltage : 220-440/110 V (Single/Three Phase)  
Motor Power : 2.2KW/3KW  
Vacuum Pump : 0.75 KW  
Heating Power : 2 KW  
Weight : 250 kg  
Material : Stainless Steel  
Dimension : 1030x950x1250mm

Machine Model : GTO-60

Vacuum Oil Filter Machine

Type : Mini Commercial Oil Filter  
Model No : GT-VF10  
Capacity : 10 Kg/hr  
Voltage : 220/110 V  
Power : 750W (1 HP)  
Weight : 40 kg  
Material : Stainless Steel  
Dimension : 480x380x660mm

Type : Domestic  
Model No : GT-CC01  
Capacity : 80-100 Balls/hr  
Power : 750W (1 HP)  
Voltage : 220 V  
Weight : 25 kg  
Material : Stainless Steel  
Dimension : 520x320x520 mm

Coconut Cutting Machine

# ABOUT GOREK TECHNOLOGIES

We introduce ourselves as a rapidly growing company in the field of manufacturing and supplying (import/export) of machineries in the categories of Kitchen & Home Appliances and Commercial products. Our few products are Domestic Oil Press/Maker Machines, Commercial Oil Expellers, Food Processors, etc. By adhering strictly to our core values and principles, we have made a sound and healthy working culture in the workplace where our employees can grow at both personal and professional level. All our employees work hand in hand as a family to avoid any confusion and faster completion of tasks. Our endeavour is to be quality oriented with competitive price and timely delivery.

Complete product assortment is manufactured using the best grade raw material and advanced technology under the guidance of our skilled professionals. We provide applications to various sectors such as: Home use, Restaurants, Hospitals, Offices, Small Vendors, Domestic, Commercials, etc.

Additional information on our company, products and services is available on website:
