

DOMESTIC OIL PRESS MACHINE

Specifications

Type	Domestic
Capacity	2-5 Kg/hr
Voltage	220V
Power	600W(DC Motor)
Weight	7 KG
RPM	65
Power Consumption	0.6 Unit/ph
Material	304 #Food grade ss
Dimensions	360x160x320mm

Model: **GT - 02N**

Model: **GT - 4T**

Specifications

Type	Domestic
Capacity	3-6 Kg/hr
Voltage	220V
Power	400W
Weight	10 KG
RPM	58
Power Consumption	0.4 Unit/ph
Material	304 #Food grade ss
Dimensions	360x160x340mm

DOMESTIC OIL PRESS MACHINE

Specifications

Type	Domestic
Capacity	4-8 Kg/hr
Voltage	220V
Power	600W
Weight	12 KG
RPM	65
Power Consumption	0.6 Unit/ph
Material	304 #Food grade ss
Dimensions	400x160x360mm

Model: **GT - OT**

Model: **GT - 8T**

Specifications

Type	Domestic
Capacity	5-8 Kg/hr
Voltage	220V
Power	800W
Weight	14 KG
RPM	66
Power Consumption	0.6 Unit/ph
Material	304 #Food grade ss
Dimensions	360x160x360mm

OUR ONLINE PRESENCE

Benefits of Product

- ▶ 1 Year Warranty
- ▶ Copper winding Motor
- ▶ 100% Stainless Steel Body
- ▶ Can eat Natural made Oil

- ▶ Easy to Use & Clean
- ▶ Soundproof
- ▶ Compact Size
- ▶ Heavy Gearbox

Product Description

- ▶ Oil Press Machine(For Home) used for Pressing peanuts, Coconut, Sesame, Soyabean, walnut, Sunflowers seeds, Vegetable seeds, Flax seeds, Almonds, Castor Seeds, Mustard seeda ans so on.
- ▶ Machine Motor is industrial motor that it can continue working for more that 6 to 8 hours. We suggest it work 5 to 6 hours and take for 1 hour. That will be good for machine.
- ▶ Oil extracting that is depends on the oil seeds.
- ▶ Easy to Operate, Clean, Move and Store.

USAGE/WORKING PROCESS

1. Preheat the Machine

Switch on the heating element and wait until the temperature display stabilizes.

2. Add Seeds

Insert dry seeds or nuts directly into the machine.

3. Extract Oil

Press the "Squeezing" switch to begin extraction.

4. Cleanup

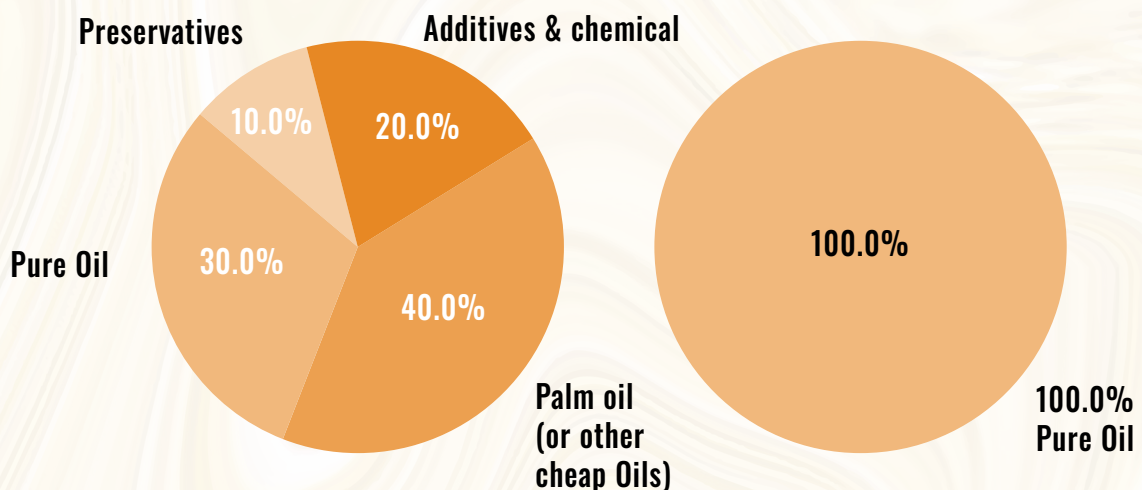

Use the "Cleanup" switch after pressing to loosen the chamber for easier cleaning.

5. Post-Extraction storage

Allow the extracted oil to rest overnight or natural separation.

Market Oil VS Cold Press Machine Oil

FEATURE	MARKET OIL	COLD PRESS MACHINE OIL
Purity	Contains chemiclcs & Preservation	100% pure, no chemicals added
Heart Health	May increase risk of heart problems	Helps keep the heart healthy
Nutrients	Loses vitamins and nutrients	Rich in natural vitamins and nutrients
Taste & Smell	Artificial taste and smell	Fresh, natural taste and smell
Freshness	Made in factories	Made fresh at home anytime

VARIOUS KINDS OF OIL EXTRACTION

Coconuts

Mustard Seeds

Sunflowers

Almonds

Peanuts

Soybeans

Castor Seeds

Flaxseeds

Sesame Seeds

OIL PERCENTAGE

Material	Actual Oil Production Rate	Material	Actual Oil Production Rate
Red Peanuts	40-45%	Almond	30-38%
White Peanuts	38-44%	Castor Seeds	28-35%
Sunflower	28-33%	Soyabeans	15-20%
Walnut	30-40%	Flax Seeds	30-40%
White Sesame	40-50%	Coconut	40-55%
Black Sesame	38-45%	Pumpkin Seeds	30-35%
Rapeseed	30-38%	Moringa Seeds	38-42%
Pine Nuts	50-70%	Safflower	35-42%
Mustard	28-36%	Kalonji	40-50%
